EXPERIENCE

Fishbowl Solutions, St. Louis Park, MN — Front End Developer

JUNE 2018 - PRESENT

Bring the work of design teams to life by collaborating in an agile environment. Communicate with colleagues to ensure customer satisfaction. Prototype and iterate user interface designs before writing the code.

Open Systems International, Medina, MN — Software Engineer Intern

MAY 2017 - AUGUST 2017

Worked on an agile team to write data transforming scripts. Was also able to discuss redesign of old software and learn about the standards of material design.

Rentr, London, UK — Web Development Intern

March 2017 - APRIL 2017

Collaborated with the lead developer to create new features in his property rental software.

EDUCATION

University of Minnesota, Minneapolis, MN — Certificate in UX/UI Design

AUGUST 2015 - MAY 2018

College of Saint Benedict, St. Joseph, MN — Bachelor's Degree in Computer Science, Math Minor
